

FALL 2010 RHC Update Seminars

Seminar Information

2010 RHC Update Seminar Registration Form

About the Speaker

Mark R. Lynn has worked in the healthcare field since 1981 as a CPA, hospital administrator, Consultant, and hospital controller. He has been featured in the Wall Street Journal and named to the Tennessee Hospital Association Task Force on Medicaid and has presented at many of the national meetings and conferences. Mr. Lynn has completed over 1,000 rural health clinic cost reports in his career and prepares annual evaluations, and assists rural health clinics in start-ups. Mr. Mark Lynn has worked mostly with rural health clinics since the early 1990s.

Speaker, Mark Lynn

For many years now, Rural Health Clinic administrators, physicians, nurse practitioners, and billing personnel have been coming to the RHC Update seminars presented by Healthcare Business Specialists. When Riverbend GBA lost the rural health clinic contract a wealth of information and resources disappeared on billing and cost reporting. After several years of letting Riverbend educate the provider community, we started our RHC Update seminars again and were pleased that the seminars received their highest ratings ever. We look forward to seeing you at one of the Update seminars or one of our RHC Billing Seminars.

The best way to find out more information about the seminars is to go to our website at www.ruralhealthclinic.com. All of the information related to each seminar is located on that site including location, date, costs, and online registration is available. Here is some of the basic information that you will want to know. The seminars are from 9:30 to 4:00 with an hour and break for lunch. The Update seminars are divided into a morning session and an afternoon session which can be attended separately. The morning session is appropriate for any physician clinic, while the afternoon session is specific for rural health clinics. The cost is \$250 for both sessions and if you only want to attend one session the cost is \$150.00. If you want to purchase a Workbook and CD that accompanies the seminar, the cost is \$125.00 and is in addition to the Seminar fee. The Workbooks are approximately 300 pages and include a CD of valuable RHC files includes laws, regulations, policies, and annual evaluation templates. If you can not attend the seminar, you can order the Workbook and CD and we will mail you the information. You can register by faxing the completed form to our toll-free number at (800) 268-5055. We have applied for continuing education credits from various organizations and are awaiting confirmation of acceptance.

RHC Billing 101 Seminars

If you are new to RHC Billing, we have prepared two billing seminars specific to rural health clinic billing. The fees are the same for this seminar and they are located in Kansas City and Reno. They are timed to occur at the same location and time as other national meetings.
