

About the Speaker

For many years now, Rural Health Clinic administrators, physicians, accountants, nurse practitioners, and billing personnel have been coming to the RHC Billing and Cost Reporting seminars presented by Healthcare Business Specialists. Mark Lynn has worked in the healthcare field since 1981 as a CPA, Hospital Administrator, RHC Consultant, and Hospital Controller. Mr. Lynn has experience with the State Comptroller's Office, Hospital Corporation of America, various hospitals, and in public accounting. He has been featured in the Wall Street Journal and has been named the THA Task Force on Medicaid. Mr. Lynn has served on the board of various healthcare organizations over the years and is currently serving on a task force with the University of Central Florida concerning RHCs and ACOs. Mr. Lynn annually prepares over 125 RHC cost reports and serves on the annual evaluation committee of 25 RHCs throughout the country. Mr. Lynn has started 100s of RHC in his 30 year RHC career. Mr. Lynn has been a featured speaker at many of the national meetings on rural health matters over the years and conducted numerous workshops on RHC billing. Mr. Lynn also prepares a number of 855s every year for RHCs re-enrolling in Medicare.

Healthcare Business Specialists is pleased to announce the schedule for the 2017 Fall RHC Update Seminars. This year we will conduct 5 seminars around the country. This year's RHC Update seminar will focus on Emergency Preparedness and Medicare Billing for Independent and Provider-based RHCs. The morning Medicare billing session will cover basics of billing, preventive services, changes to chronic care management reimbursement, commingling, incident to, CG Modifier, global billing and many common billing issues in RHCs.

The afternoon will start with two hours on Emergency Preparedness including a template with policies and procedures, resources, and information on tabletop exercises and drills. We will provide information on how to comply with the new regulations that must be complied with by November 15, 2017. The cost reporting session will cover the new limits on physician compensation limits introduced by Medicare in July, 2017 and how to limit the impact of these new regulations plus information that is needed for the accurate completion of the cost report. We will cover the annual evaluation requirement as well as TennCare Quarterly Reporting for TN.
