Rural Health Clinic Information Exchange Lunch and Learn Webinar Series

Spring, 2022

The Rural Health Clinic (RHC) Information Exchange Facebook Group is conducting a series of lunch and learn webinars in the winter/spring of 2022. These webinars are free and will focus on rural health clinic billing and updates for the RHC community.

Each webinar is set up as a stand-alone webinar, so you will have to sign up for each of them to attend. Each will be recorded for later viewing and the slide presentations and recordings may be found at www.ruralhealthclinic.com. Each webinar will have speakers and panelists to help with questions and to provide insight or perspective to the material presented. The billing sessions (except the Update session) are designed for people new to RHC billing and each session will build on the previous sessions.
