RHC CERTIFICATION AND CONVERSION

December 10, 2021: Healthcare Business Specialists will have a webinar today at 1:00 PM Eastern time with Kate Hill of The Compliance Team on "How to Conduct a RHC Mock Inspection" If you have not registered for the webinar yet, here is the link: <https://attendee.gotowebinar.com/register/1801076331757826829>. The recording of the session, the presentation, and some additional information is provided below:

December 6, 2021: On November 29 and November 30, 2021, the United States District Court for the Eastern District of Missouri and United States District Court for the Western District of Louisiana issued preliminary injunctions against the implementation and enforcement of the Interim Final Rule against Medicare-and Medicaid-certified providers and suppliers. Between the two of them, these injunctions cover all states, the District of Columbia and the US Territories. CMS has appealed both of these decisions, and has filed motions for stays of these orders. While CMS remains confident in its authority to protect the health and safety of patients in facilities certified by the Medicare and Medicaid programs, it has suspended activities related to the implementation and enforcement of this rule pending future developments in the litigation. Accordingly, while these preliminary injunctions are in effect, surveyors must not survey providers for compliance with the requirements of the Interim Final Rule. Health care facilities, of course, may voluntarily choose to comply with the Interim Final Rule.

RHC Cost Reporting - Year-End Deadlines and Electronic Filing of Cost Reports sponsored by Azalea Health

- In this webinar, Mark Lynn, CPA (Inactive), CRHCP, CCRS and Dani Gilbert, CPA, CRHCP will go over important year-end Rural Health Clinic cost reporting deadlines and as we migrate to electronic filing of cost reports for 2021, how to ensure you optimize your reimbursement in an environment of increased Medicare caps for Independent or Freestanding RHCs. We will discuss the importance of writing off Medicare bad debts on or before 12/31/2021 in order to file them on the Medicare Cost Report. We will discuss new topics such as Covid-19 vaccines, MABs, telehealth, and more. As we shift to more and more electronic filing of cost reports, our processes for filing will change and this webinar will be a good introduction to these changes. This webinar is sponsored by Azalea Health.
