## **What RHCs needs to know about the HRSA update to HPSA Shortage Designations by Joe Lampard from HPSA Acumen Inc.**

**Joe Lampard is Vice President and partner at HPSA Acumen. With over 15 years' experience in analyzing health professional shortage areas, Joe has extensive knowledge about Health Professional Shortage Area (HPSA) designations, Medically Underserved Area/Population (MUA/P) designations, and Rural Health Clinics.**

**In September of 2021 HRSA completed an 'Update 2.0' review of all primary, mental, and dental HPSA's throughout the U.S. Over 40% of the designations went into a 'Proposed For Withdrawal' status. This effected Federal loan forgiveness, RHC relocation and setup, as well as Medicare HPSA bonuses in 2022. Joe has compiled a presentation to discuss these updates, the negative outcomes, and how it is effecting RHC's across the U.S. He will also focus on what HPSA benefits are available to RHC's; specifically from grants, to visa waivers, to medical education loan forgiveness.**

**To learn more about HPSA Acumen, go to <https://hpsa.us/>.**
